Plant the Promise to Keep Kids Drug-Free

Plant the Promise to Keep Kids Drug-Free is the theme of this year's Red Ribbon Week Campaign. Commander of the 6th Area Support Group, Col. Larry Stubblefield, issued a proclamation declaring Oct. 23 through 31 as Red Ribbon Week in the Stuttgart military communities. He called upon all military units, agencies, facilities, private organizations, chapels and families to help raise awareness and Plant the Promise to Keep Kids Drug-Free. To read his complete proclamations go to the Web site www.stuttgart.army.mil/bulletin.

Red Ribbon Week is an annual drug-awareness campaign to fight back in the war against drugs. The purpose is to create awareness concerning drug and alcohol abuse facing the community; to build community coalitions to implement comprehensive drug-prevention strategies; to support healthy, drug-free lifestyles; and to encourage neighborhood prevention planning. Wearing the red ribbon symbolizes a commitment to winning the war on drugs by arming yourself with accurate information about drugs, alcohol and nicotine. **(See related Red Ribbon Calendar of Events article on page 4)**

Increased Security Measures

The force protection level is currently Charlie. Force protection measures will continually be updated in local publications and on the 6th Area Support Group Web site at www.stuttgart.army.mil. The force protection measures will remain in effect until further notice. Allow for extra time when entering local installations.

Report Suspected Espionage Incidents

Community members can help prevent subversion and espionage by guarding against the collection efforts of foreign intelligence services.

Watch for someone who appears to be collecting information on U.S. personnel or facilities through observation, surveillance, document collection or questioning. Report it to the Stuttgart Military Intelligence Office, 421-2206/civ. 0711-729-2206.

Halloween Safety Guidelines

To reduce the risk to our children, the 6th Area Support Group has established Halloween safety guidelines for all Stuttgart military residents. Trick-or-Treating will take place in all Stuttgart housing areas Oct. 31 (times to be announced).

Representatives from each stairwell should take turns distributing treats at stairwell entrances/doorways. Candy should not be left unattended outside stairwells for children to pick up. Children should not go door to door inside stairwells, ensure walkways are unobstructed.

All trick-or-treaters' costumes should be in good taste. For security reasons toy weapons of any type and military uniforms as costumes are prohibited. Make sure children wear clothing with reflective markings or tape and carry a flashlight. Trick-or-treaters should stay on the sidewalk and never cross the street between parked cars.

An adult should accompany young children for security reasons, even older children may need some supervision. Older children should travel in groups. All treats should be inspected and thrown out if unwrapped or spoiled. Parents need to be aware from whom their children are accepting treats. All individuals on military installations should be prepared to show their identification when asked to do so by military patrols.

Remember In the case of a real-known threat trick-or-treating activities could be cancelled at a moment's notice. The security of U.S. personnel and their families is the community command's No. 1 priority.

FP Includes Vehicle Stickers

According to a Department of Defense directive, stickers from previous stateside and overseas installations must be removed from all privately-owned vehicles. Military police can issue tickets for not removing them. Vehicle owners should consider the security issues involved when these stickers are left on. Local license plates are issued to help POVs blend in; these stickers clearly identify the person as a member of the DOD. For info call 421-2826/civ. 0711-729-2826.

Child & Youth Services FP Update

Central Enrollment Registration is the command center for all Child and Youth Services programs during Force Protection Condition Charlie. CYS front doors are manned at all times with 100 percent ID checks taking place. All facilities will remain open unless notified otherwise. If the programs are notified to close due to force protection conditions, CYS program management will notify parents to pick up children. If the parent is unable to pick up the child due to mission-related requirements, the program manager will contact CER who will then make appropriate arrangements. CER is the point of contact for any patrons needing emergency or off-hours childcare.

Local CYS sporting events/practices will continue as scheduled, all away games are cancelled. All CYS sports events/practices at Robinson Barracks are cancelled. YS instructional classes will continue as scheduled. All off-post field trips are cancelled. CER's primary point of contact is Shari Ezell at 430-7458/civ. 0711-680-7458, cell 0160-4136106.

Plan Accordingly at Front Gates

The Provost Marshal Office asks that people plan accordingly before leaving for work. During the increased force protection condition traffic

entering the installations will be backed up. If possible, supervisors should implement stagger report times for their personnel. Personnel expecting someone who needs to be signed in should be at the gate to meet them. This will decrease the parked vehicle congestion.
